

WALL CLOCK: The Sandringham Wall Clock features an Oak Yorkshire finish on select hardwoods and veneers to complement your home decor. Included in the design is a flared molded bonnet and fully molded base with a spun brass-finished pendulum bob.

DURABLE: Display this clock in your kitchen, office, bedroom, or living room, as a great timepiece with a front glass door, Arabic numerals and floral-patterned corner accents to stand out over an off-white dial.

CHIMES: Easily tell time with key-wound, single-chime movement that plays the Westminster chime to strike each hour. An industry exclusive dual-ratchet winding arbor ensures safe movement winding. Use the chime silence option to reduce sound in the house.

MOVEMENT: It is powered by key-wound, single-chime movement. Made in the USA.

HOWARD MILLER: Founded in 1926, this company is known for its tradition and generational products. Located in Zeeland, Michigan, Howard Miller provides attention to detail from quality timepieces to handmade collectors cabinets.
