

For the homeowner who loves the classic styling of traditional chiming wall clocks, the Howard Miller Lewis is a must-have piece. Hang in a dining room, study, or den, and enjoy the beautiful design this stunning clock offers.

Unique Finish: This beautiful chiming wall clock is finished in Windsor Cherry on select hardwoods and veneers. The end result is a truly classic piece that will offer your home beauty and an added touch of decorative style.

Detailed Design: This traditional wall clock with pendulum features a distinctive dentil molding on the profiled pediment with maple and ebony hand-rubbed marquetry overlays at each corner.

The white dial features black Roman numerals and serpentine hour and minute hands, and a polished brass-finished lyre pendulum appears behind the locking door adding to the detailed design.

Precise Movement: A high-precision key-wound triple-chime movement plays your choice of Westminster, St. Michael, or Whittington chimes. You will fall in love with the beautiful sounds of this antique wall clock.

Extra Features: Every feature adds to the appeal of this piece. An industry exclusive dual-ratchet winding arbor ensures safe movement winding, and a locking door provides added security. Additionally, this antique wall clock features a chime silence option and durable bronze bushings. The entire piece was designed and assembled in the USA.
