

**Timeless Beauty:** An antique wall clock this elegant deserves a second glance—and then some. Featuring a beautiful New Haven finish on select hardwoods and veneers, it's slightly distressed to elevate its old-world appeal. The aged effect nicely complements any traditional or transitional environment.

**Warm Detailing:** This masterfully designed traditional wall clock with pendulum stands out from every angle. There are four carved overlays accenting the base and pediment, along with a distinctive dentil molding over the dial. The dial itself bears an aged appearance and has a brushed, brass-finished bezel with an antique finish. The fluted columns lined along the sides of this chiming wall clock accent the beveled glass door, which opens to reveal a brushed, brass-finished pendulum boasting an antique look. There's also a dual-ratchet winding arbor to ensure safe movement winding.

**Precision Movement:** A high-precision, key-wound, Westminster chime movement plays 1/4, 1/2, and 3/4 chimes accordingly, with full chime and strike on the hour. A chime silence option is provided.

**Howard Miller:** Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
