

**Subtle Elegance:** Make a subtle yet elegant statement with this antique wall clock that's perfect for any traditional setting. Its beautiful detailing sets it apart from other timepieces in the home. It's as functional as it is handsome, and while it captures the essence of bygone eras it can easily fit into a more transitional space, too.

**All in the Details:** It's the little features that transform this chiming wall clock into a work of art. It's finished in Windsor Cherry and boasts a swan neck pediment and turned finial. The contrasting ivory dial has a polished brass-finished bezel, Roman numerals, and decorative hands. Safely wind the movement thanks to an exclusive dual-ratchet winding arbor. This traditional wall clock with pendulum finished in brass and accented by a decorative grid is perfect for any living room, home office, or hallway.

**Precision Movement:** A high-precision, key-wound, Westminster chime movement plays 1/4, 1/2, and 3/4 chimes accordingly, with full chime and strike on the hour. Chime silence option provided.

**Howard Miller:** Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
