

**WALL CLOCK:** The Earnest Wall Clock features a Hampton Cherry finish on select hardwoods and veneers to complement your home decor. It includes decorative Acanthus leaf molding on the pediment and rare olive ash burl overlays with light distressing for an aged appearance.

**DURABLE:** This clock has a sturdy frame to relieve stress in a busy household. Display it in your kitchen, office, bedroom, or living room, as a great timepiece with traditional Roman numerals (IIII instead of IV), a brass pendulum, decorative medallion, and brass bezel to stand out over an off-white dial.

**CHIMES:** Easily tell time with key-wound, single-chime movement that plays the Westminster chime to strike each hour. An industry exclusive dual-ratchet winding arbor ensures safe movement winding. Use the chime silence option to reduce sound in the house.

**MOVEMENT:** It is powered by key-wound, single-chime movement with durable bronze bushings. Made in the USA.
