

**The Shape of Things:** At a glance, this chiming wall clock is certain to turn heads. With its geometric design, it's a structural masterpiece from top to bottom. Moreover, it's inspired by the traditional "School Days" model wall clock, which evokes hints of the past. Indeed, its retro stylings are part of its incredible charm. It's perfect for a home office, the workplace, the entryway, or any space that could benefit from a little visual intrigue.

**Thoughtful Details:** This traditional wall clock with a pendulum is among the most eye-catching timepieces you'll find. It's finished in crisp Golden Oak, a versatile shade that fits nicely into nearly any environment. The complementary off-white dial depicts black Arabic numerals and spade hands set behind a convex glass crystal, while gold-tone detailing adds character to the lower glass revealing the pendulum. It also offers volume control and an option for automatic nighttime shut-off. This school days wall clock is sure to delight anyone with an interest in old-world design.

**Quartz Movement:** Quartz, triple-chime Harmonic movement plays your choice of full Westminster or Ave Maria chimes with strike on the hour and 1/4, 1/2, and 3/4 chimes accordingly. Westminster chime and strike on the hour only, or Bim Bam chime on the hour only.

**Howard Miller:** Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
