

**The Perfect Finishing Touch:** Complement any classically designed space with this beautiful antique wall clock. A true work of art, it features a dramatic Hampton Cherry finish on select hardwoods and veneers. The details here are significant, with embossed molding below the pediment, burl overlays, and dainty carved rosettes accenting the door.

**On the Dial:** The crisp white dial on this traditional wall clock with pendulum stands bright against the rich backdrop. It evokes an aged finish and has black Arabic numerals. A raised, antiqued, brass-finished outer edge completes the look and complements the antique brass-finished lyre and grid pendulum that swings below. Volume control, automatic nighttime volume reduction, and nighttime chime shut-off are all included on this chiming wall clock.

**Quartz Movement:** Quartz, dual-chime movement plays full Westminster or Ave Maria chimes with strike on the hour, with optional 4/4 chime feature. It plays 1/4, 1/2, and 3/4 chimes accordingly and requires two C batteries.

**Howard Miller:** Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
