

Impart upscale beauty to your home with the Howard Miller Jayla wooden wall clock. It has a Legacy Oak finish and a brushed-brass-finished pendulum for a traditional style.

**Durable and Elegant:** The hardwood construction of this clock ensures durability, while the veneers and Legacy Oak finish add a sophisticated look. The reeded columns and scalloped arched bonnet on this timepiece further enhance its upscale appearance.

**Brushed Brass-Finish Accents:** The pendulum bob on this clock has a brushed brass finish to complement the rich tones of the wood. A brass-finish lyre and grid match the pendulum for a coordinated look.

**Arabic Numerals:** Black Arabic numerals contrast with the lamb's wool dial for classic style. Black hour and minute hands match the numerals, while the brass-finished bezel adds gleaming style. Plain glass covers the dial to safeguard against dust and damage.

**Melodic Chimes:** This clock plays Westminster chime and strikes on every hour. It has volume control for custom sound and is equipped with an automatic night shut-off feature, so it won't disturb you after bedtime.

**Quartz Movement:** This wooden wall clock has a battery-powered quartz movement.

**Howard Miller:** Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
