

Warm Notes: A touch of warmth transforms this oversized wood wall clock into a true work of art. It's finished in Tuscany Cherry on select hardwoods and veneers and features an aged appearance that makes it a beautiful addition to any traditional space, be it the living room, the entryway, or the office.

Unique Accents: This wall clock with pendulum stands out for its unique door, which has an eye-catching fret-cut grill over the glass. Turned columns and decorative top molding complete the look of this flat-top accessory. The pendulum has a circular, brushed, brass-finished bob that hangs delicately from a wooden stick. Meanwhile, the off-white dial appears authentically vintage thanks to its black Roman numerals and hour markers, spun brass-finished bezel, and black hour and minute hands. Volume control and automatic nighttime chime shut-off options are provided on this chiming wall clock.

Quartz Movement: Easily tell time with dual-chime movement that plays Westminster or Ave Maria chime to strike each hour with an option to play on $\frac{1}{4}$, $\frac{1}{2}$, and $\frac{3}{4}$ as well. Set the automatic nighttime chime shut-off and convenient volume control to have anywhere in your house. This clock requires two C batteries for operation.
