

MANTEL CLOCK: The Barrett Mantel Clock features Windsor Cherry finish on select hardwoods and veneers to complement your home decor. Place it above your fireplace in the living room for a classic decorative piece. Made in the USA.

DURABLE: This clock has a sturdy frame to relieve stress in a busy household. This timepiece has Arabic numerals and chapter ring to stand out over the polished brass-finished dial. It includes decorative egg-and-dart molding around the base, and rare olive ash burl overlays on front.

CHIMES: Easily tell time with the key-wound, single-chime movement that plays the Westminster chime to strike each hour. An industry exclusive dual-ratchet winding arbor ensures safe movement winding. Use the chime silence option to place anywhere in the house.

MOVEMENT: It is powered by key-wound, single-chime movement with four brass-finished feet. The arched glass top allows a view of the intricate brass clock movement.
