

Howard Miller delivers premium quality and careful design with the traditional Stewart Grandfather Clock.

Careful Craftsmanship: This traditional piece is finished in Windsor Cherry on select hardwoods and veneers. Featuring an elegant swan neck pediment accented with decorative rosettes and matching keystone finial support, a turned finial, and crotch-figured mahogany, this beautiful clock is carefully crafted.

Detailed Design: A special cast dial offers elaborate corner spandrels, a center disc, and an astrological blue moon phase. The crotch-figured mahogany continues on the top and bottom corners of the door which features crystal-cut, V-groove, oval glass. An illuminated case highlights the brass-finished pendulum and weights that feature a decorative cast pendulum bob and matching weight bands. Complementary overlays accent the multi-tiered base which supports reeded columns with turned column caps.

Extra Features: A high-precision, cable-driven, triple-chime Concerto movement features three classic chimes: Westminster, Schubert's Ave Maria, and Beethoven's Ode to Joy. Additionally, this antique-style clock features an automatic nighttime chime shut-off option and a locking door for added security.

Custom Touch: With purchase, a free brass Heirloom nameplate will be engraved with your name and special date. Additionally, a free Heirloom Record Document with a brass-finished capsule is included.
