

Howard Miller delivers the perfect blend of traditional style and detailed design with the Gavin wooden grandfather clock.

**Clock Design:** This wooden grandfather clock is finished in Oak Yorkshire on select hardwoods and veneers. The clock features a traditional arched bonnet pediment highlighted by a decorative shell and vine overlay. Reeded columns with turned top and bottom caps add an elegant touch, and the decorative cut-out on the sculpted base completes the picture. Beveled glass gleams on the locking lower door. The cabinet is illuminated by an interior light, and the clock is equipped with adjustable levelers under each corner.

**Detailed Design:** Howard Miller offers detailed design with this wooden grandfather clock. The polished brass-finished dial offers elaborate corner spandrels, a center disk with an astrological blue moon phase, and a silver chapter ring with applied brass Arabic numerals. A glass mirrored back highlights the polished brass-finished pendulum with a decorative center disk and polished brass-finished weight shells. The case also features a mirrored back to showcase items from all angles.

**Chimes:** This antique-style clock features a high-precision, cable-driven, Westminster chimes, and a chime silence option.

**Heirloom Nameplate:** With purchase, a free brass Heirloom nameplate will be engraved with your name and special date. Additionally, a free Heirloom Record Document with brass-finished capsule is included.

**Howard Miller:** Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
