

Featuring gorgeous hardwoods and detailed designs, the J.H. Miller is a traditional and elegant piece.

Careful Craftsmanship: This wooden grandfather clock is finished in Windsor Cherry on select hardwoods and veneers. Designed by Chris Bergelin, this traditional clock features maple and California carlo burl wood species.

Detailed Design: This clock's detailed design makes it one of a kind. The beautiful swan neck pediment is crowned with three carved finials, two carved rosettes, and a carved finial shell at the center. The pediment features book-matched Russian Walnut Burl with floral inlays. The ornate Roman numeral, polished-brass dial features custom cast corners, center, and moon arch ornaments. The cast center disk is numbered with a removable engraving plate.

Extra Features: This antique style clock features a high-precision, cable-driven, triple-chime movement including Westminster, St. Michael, and Whittington chimes. Additionally, the clock features an automatic nighttime chime shut-off and sequential chime options.

Custom Touch: With purchase, a free Heirloom Record Document with a brass-finished capsule is included. Additionally, a free brass Heirloom nameplate will be engraved with your name and special date.
