

Never underestimate the power of a distinctive wooden grandfather clock. Edinburg is finished in stunning Cherry Bordeaux, contributing to its elegant, antique appeal. With its swan neck pediment, book-matched olive ash burl overlays, and a trio of turned urn finials, it commands attention from every angle. Carved rosettes and a decorative carving at the base lend it eye-catching beauty on the top and bottom.

Starry Accents: A little bit of shine goes a long way. The illuminated dial is finished in brushed satin brass and features corner ornaments and a cast center, along with an elegant moon arch bearing an astrological blue moon phase. A pieced star configuration completes the look, along with a silver chapter ring and Arabic numerals in applied brass.

The Swing: The dramatic pendulum features a cast center disk and banded weight shells finished in brushed satin brass. The piece complements the dial beautifully. A pair of columns with pronounced reeds and turned column caps flank each side of the door, while the multi-tiered bombe base boasts a decorative cutout. The back is designed with mirrored glass for a captivating look. Adjustable levels are included beneath each corner for stability on any surface.

Door Décor: The lower décor is decorated with traditional Gadroon molding and beveled glass etched with a pattern. The top side panels with beveled glass are detachable, allowing for simple access to the clock.

Precision Movement: High-precision, cable-driven, triple-chime movement plays choice of Westminster, St. Michael, or Whittington 1/4, 1/2, and 3/4 chimes accordingly with full chime and strike on the hour. An automatic nighttime chime shut-off is optional.
