

The Howard Miller Browman Floor Clock is a stunning and timeless piece that will add a touch of sophistication and classic elegance to any room. This clock is made from select hardwoods and veneers, ensuring its durability and long-lasting beauty. The golden oak finish adds warmth and richness to the overall design, making it a perfect complement to any decor style.

CLOCK: The clock features a polished brass-finished dial with ornate corner spandrels and a center disc with a silver chapter ring and black Arabic numerals. This attention to detail is a hallmark of the Howard Miller brand and elevates the clock's design to a whole new level. The case also features a mirrored back to showcase items from multiple angles.

CHIMES: The cable-driven, triple chime Kieninger movement plays Westminster, St. Michael, and Whittington chimes, providing a beautiful sound to your home every hour. It features an automatic nighttime chime shut-off option, allowing for uninterrupted sleep. This makes it a great choice for bedrooms or other spaces where quiet and peacefulness is essential.

Overall, the Howard Miller Browman Floor Clock is a truly remarkable and beautiful piece that will become a treasured addition to your home. With its classic design, attention to detail, and quality construction, it is built to last for generations and to bring joy to your home every day.
