

WALL CLOCK: This Devahn Wall Clock is made of wrought-iron, finished in antique bronze with oak-finished hardwood accents to compliment your home decor. The clock's quartz movement makes a soft ticking noise without the use of chimes for a quieter environment.

DURABLE: This indoor modern clock is created to last. It has a sturdy metal frame to relieve stress in a busy household. Display it in your kitchen, office, bathroom, bedroom, living room, and more.

HIGH QUALITY: Easily tell time with black traditional Roman numerals (IIII instead of IV), black hands, and convex glass crystal to stand out over a graduated tone dial. The pendulum bob is a beautiful blend to the wrought-iron design.

MOVEMENT: It is powered by a quartz movement and requires two AA sized batteries.
