

WALL CLOCK: The Emmett Contemporary Wall Clock features a 3/16 inch thick plate glass cover, suspended on polished chrome buttons to match your home decor. The clock's spun satin silver-finished pendulum makes a soft ticking noise without the use of chimes for a quieter environment.

DURABLE: This indoor modern clock is created to last. It has a sturdy metal frame to relieve stress in a busy household. Display it in your kitchen, office, bathroom, bedroom, living room, and more.

HIGH QUALITY: The Wenge-style, black coffee finished wall clock will quickly become a home essential. Easily tell time with the chrome-finished applied bar style hour and minute markers and silver-finished hands connected to a white dial.

MOVEMENT: It is powered by quartz movement and requires one AA sized battery.
