

MANTEL CLOCK: The Adelaide Mantel Clock features a sculpted wrought-iron frame with an antique warm-gray finish as well as a Windsor Cherry finish and decorative molding wrapped base to complement your home decor.

DURABLE: This clock has a sturdy metal frame to relieve stress in a busy household. Place it above your fireplace in the living room for a classic decorative accent piece with black Roman numerals, antique-finished serpentine hands, and convex glass crystal to stand out over an aged dial.

CHIMES: Easily tell time with a single-chime movement that plays the Westminster chime to strike each hour. Set the automatic nighttime chime shut-off for convenient volume control to have in any room.

MOVEMENT: It is powered by quartz movement and requires three AA sized batteries. The traditional Roman numerals feature IIII instead of IV.
