

The Weather View digital table clock is the perfect combination of function and finesse. The chic satin silver finish complements any home decor. The square LCD alarm clock displays the time, temperature, and several other interesting metrics.

**Functionality:** The capabilities of this battery-operated digital table clock are perfect for anyone who wants a quick and easy-to-read status update. The LCD alarm clock with snooze feature displays time in 12- or 24-hour format, the indoor temperature in either °F or °C, the relative humidity, the date, and the moon phase.

**Style:** This digital table clock has a satin silver finish encompassing an LCD screen. The rounded corners and brushed aluminum faceplate make it a beautiful blend of design and technology.

**Kickstand:** This digital table clock features an integrated kickstand on the rear for easy placement and viewing in any location.

**Quartz Movement:** The LCD alarm clock has quartz, battery-operated, alarm movement and requires one AAA sized battery.

**Howard Miller:** Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
