

The Howard Miller Reagan is a stunning wooden grandfather clock featuring unique details and premium materials.

**Careful Craftsmanship:** This wooden grandfather clock features a Hampton Cherry finish on select hardwoods and veneers, heavily distressed with light and deep dents for an aged appearance.

**Detailed Design:** Howard Miller created an extraordinarily detailed grandfather clock with book-matched olive ash burl gracing the front and sides of the unique swan neck pediment. A carved urn finial and finial support add the finishing touch. Additionally, the elaborate dial includes raised brass Arabic numerals, cast center and corner ornaments, and a moon phase. A cast center disk on the polished-brass pendulum mirrors the dial, and polished brass weight shells with decorative bands complete the picture.

**Added Features:** The beveled glass doors on the upper sides offer easy access to the movement and storage of the hand crank and door key. A high-precision, cable-driven, triple-chime movement plays a choice of Westminster, St. Michael, or Whittington chimes. The antique clock also features an automatic nighttime chime shut-off option and adjustable levelers.

**Customized Touch:** Upon purchase of this wooden grandfather clock, a free brass Heirloom nameplate will be engraved with your name and special date. Additionally, a free Heirloom Record Document with brass-finished capsule is included.

**Howard Miller:** Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
