

The Arendal wooden grandfather clock by Howard Miller is a classic piece featuring stunning hardwoods and detailed design.

Careful Craftsmanship: This mora clock features a Tuscan Cherry finish on select hardwoods and veneers, lightly distressed. Influenced by Scandinavian design, this grandfather clock is a unique addition to Howard Miller's Furniture Trend Designs Collection.

Detailed Design: Special details of this wooden grandfather clock include a convex glass crystal on the hinged top door, decorative carved accents, and a turned urn finial.

Antique Styling: Aged to match the era, the antiqued dial offers Roman numerals, black serpentine hands, and a separate track for counting seconds. The weight shells are finished in brushed antique brass, which is echoed by the circular brushed antique brass bob on the wood pendulum. Beveled glass on the mid-door defines the clock's curved shape.

Added Features: A Westminster chime plays 1/4, 1/2, and 3/4 chimes accordingly with full chime and strikes on the hour. Additionally, the clock features an automatic nighttime chime shut-off option, adjustable levelers under each corner, and a locking door for added security.

Customization: A free brass Heirloom nameplate will be engraved with your name and special date, and a free Heirloom Record Document with brass-finished capsule is included.

Howard Miller: Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
