

Howard Miller delivers stunning traditional design with this heirloom-style wooden grandfather clock.

**Careful Craftsmanship:** The Hamlin wooden grandfather clock features a Rustic Cherry finish on select hardwoods and veneers, heavily distressed with deep dents, gouges, and wormholes for an aged appearance.

**Detailed Design:** A carved shell and leaf design draw the eyes up to the arched pediment, which is embellished with decorative overlays on the canted corners. The brushed satin brass-finished dial is set off by cast corner and center ornaments, including a silver chapter ring with applied brass Arabic numerals and an astrological blue moon phase with a pierced star pattern.

**Antique Styling:** Mirroring the dial, the lyre pendulum is finished in brushed antique brass with a decorative antique gold-finished center disk. The lower front door features beveled glass and decorative overlays with matching shell and leaf designs.

**Added Features:** A high-precision, cable-driven, triple-chime movement plays a choice of Westminster, St. Michael, or Whittington chimes. Additionally, the clock features an automatic nighttime chime shut-off option, adjustable levelers under each corner, and a locking door for added security.

**Customization:** A free brass Heirloom nameplate will be engraved with your name and special date with the purchase of this wooden grandfather clock.

**Howard Miller:** Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
