

Howard Miller delivers stunning design and style with the Robinson wooden grandfather clock.

Careful Craftsmanship: This traditional piece is finished in Cherry Bordeaux on select hardwoods and veneers. The elegant swan neck pediment of this fine clock features rare book-matched olive ash burl, a turned finial, and a carved shell overlay.

Detailed Design: No detail was missed with this antique-style clock. The polished brass-finished dial offers elaborate corner spandrels, a center disk, a silver chapter ring with applied brass Arabic numerals, and an astrological moon phase dial. The polished brass-finished pendulum includes a center disk that complements the dial and coordinates with the banded, polished brass weight shells. Elaborately carved, reeded columns with turned top and bottom caps and carved oval appliques enhance the front view of the clock.

Extra Features: This wooden grandfather clock is equipped with a high-precision, cable-driven, triple-chime movement and plays a choice of Westminster, St. Michael, or Whittington chimes. Additionally, this clock features an automatic nighttime chime shut-off option, adjustable levelers, an illuminated case, and a locking door.

Custom Touch: With purchase, a free brass Heirloom nameplate will be engraved with your name and special date. Additionally, a free Heirloom Record Document with a brass-finished capsule is included.
