

Enhance your living room with the Neilson wooden grandfather clock. This traditional timepiece is distressed for the look of an antique, and it comes with an Heirloom Record Document to ensure quality and authenticity.

**Hardwood Construction:** This clock is crafted from select hardwoods and veneers with a rich Rustic Cherry finish and distressed detailing. An elegantly carved bonnet pediment and brushed nickel pendulum and weight shells add to the sophisticated appearance of this wooden floor clock.

**Antique Style:** Arabic numerals are set against a brushed nickel finish dial for classic style. Ornamental detailing and decorative moon phases further enhance the sophisticated look of this statement timepiece.
